Mr. James Conforti

NINETEEN

Ours is not the first graduating class to dedicate its yearbook to Mr. James Conforti. This indicates that Mr. Conforti has done something right for the school and for the students. True, he does raise the money to pay for our senior activities, class banquet, and yearbook. He has for years been senior class advisor and organizer of school dances and fund raisers.

But he has also been a friend to students. His friendship does not change with the weather. His friendship is constant. Mr. Conforti is a Case High graduate and has contributed much to his alma mater. We recognize his work and contribution to our class, our school, and his school by dedicating the 1992 yearbook to Jim Conforti.

Town of Swansea, M

SWANSEA PUBLIC

Superintendent of schools

To the Class of 1992:

I wish to extend my best wishes and congratulations to the Class of 1992 on the occasion of their graduation from Joseph Case High School.

Commencement exercises on graduation day recognize the completion of your education in the Swansea Public Schools. By definition, commencement means beginning, therefore, this event signifies the start of your post secondary education or the introduction into a selected career field.

The administration is pleased and proud to recognize your achievements during your progression through the Swansea Public Schools. I look forward to hearing of continued success in future years.

Yours truly,

John E. McCarthy
SUPERINTENDENT OF SCHOOLS

JEM:AFV

Assistant Superintendent

Harold G. Devine, Jr.

Alfred Lord Tennyson concludes his classic poem "Ulysses" with the following:

. . . That which we are, we are;
Made weak by time and fate, but strong in will
To strive, to seek, to find, and not to yield.

As you go forth from Case High School, remember these words. Find your strength in who and what you are. Strength which counts comes from within. Set high standards for yourself and others.

May you strive, seek, and find all of those wonders of a world just waiting for you to make it better. May you never yield to anything that you do not believe to be just and proper.

Principal's Message

David Jardin, Principal

Dear Graduates:

You are about to complete another rite of passage - that of graduation. For you, our graduates, the memories of Joseph Case High School will be that of your last stop of your young years. As you leave our high school remember your experiences here - those of friendship, learning, laughing and the unforgettable gentle pleasure of familiarity. You have learned to respect each other, you have formed and cemented lasting relationships and above all you have enjoyed yourselves, blending academic seriousness with a light, sensitive social scene.

On behalf of the faculty, staff and administration of Joseph Case High School I bid you good-bye. As you leave our high school, try to remember the feeling of friendship that drifts out of that sensitive little allegory. *Johnathon Livingston Seagull:*

"But overcome space, and all we have left is Here. Overcome time, and all we have left is Now. And in the middle of Here and Now, don't you think that we might see each other once or twice?"

Administration

Faculty And Staff

Assistant Principal's Message

Dear Class of '92:

Although I have only been vice principal for your senior class, I have greatly enjoyed my year with you. My aim was to be always straight and honest with you. I hope you act with the same kind of straight-forward honesty toward others when you graduate. If you address your problems immediately, instead of putting them off, you will find life's problems a lot easier to overcome.

I hope I have had a positive influence on your senior year at Case High. I'll always remember the Class of 1992.

Best of luck to all of you!

Case High volleyball team wins 100 straight

THE SPECTATOR-NOVEMBER 13, 1991

They already held the record for the most consecutive victories of any high school team sport, but for Case High reaching 100 straight wins was a magical once in a lifetime event.

The Cardinals accomplished that feat and captured their seventh consecutive South Coast Conference title when they defeated Dighton-Rehoboth, 15-4, 14-16, 15-5 this past Thursday evening in Swansea.

The game seemed almost anticlimactic after the opening ceremonies which included introductions of some of the players who made 99 straight possible including Aimee Lecomte (whose teams won 84 of the 100 straight), Donna Mello, Michelle Silva, Missy Aguiar and Missi Pimental, Tracy Howarth, Vickie Philibert, Sara McKenna as well as players from the 1981 state champion, Lori Machado and Maureen McCabe Kay.

Cameramen from television channels, 5, 6, 12 and local cable were present to capture the moment as were a host of photographers, town officials and a packed house of fans.

To even approach 100 wins in a row including tournament games seems almost unbelievable. The process began in 1987 and continued this past week. To achieve the record the Cardinals not only had to win 20 regular season games but then five tournament games. Making it even more remarkable was the fact that for the last two years they have played in Division I representing the smallest school in the division against the best of the state.

The one constant in all 100 victories has been coach Christine Stanton literally the driving force behind the tradition of volleyball excellence at Case High whose own hard work and dedication to the game as been a role model for her players.

On Thursday the stage was set for their 100th straight, Case only had to win the match.

The first game went easily thanks to Monica Tobin's well placed spikes and the solid consistent play of Danielle Chagnon, Lisa Sousa, Kris Lawlor, Pam Kelly and Kerri McMahon.

But game two saw the Falcons come back with a hard earned victory. Case coach Stanton had taking out many of her starters in order to give other players some time during this historic event and they pressed the Falcons before dropping the game.

The lineup changed but included Kelly, Sousa and McMahon along with Petra Cadez, Holly Jensen, Teresa O'Brien, Kelly McKenna, Michelle Lima, Kim Benoit, Priscilla Moss with Molly Robinson, Joann Furtado and Tracey Ouellette rounding out the lineup.

After falling behind 5-2, Lima served three consecutive points to tie it and then O'Brien made the save of the game up to that point on an excellent hit.

Still Case fell behind again until Lima served three straight for an 13-11 Case lead. However the Falcons battled back from a 14-13 deficit to eventually win the set 16-14 sending it into a final.

The final set saw the A-team back in and Chagnon got things started with three service points followed by two more from Lisa Sousa and two more from Kerri McMahon.

With the score 7-3, Kris Lawlor added four more with Tobin making it 12-3.

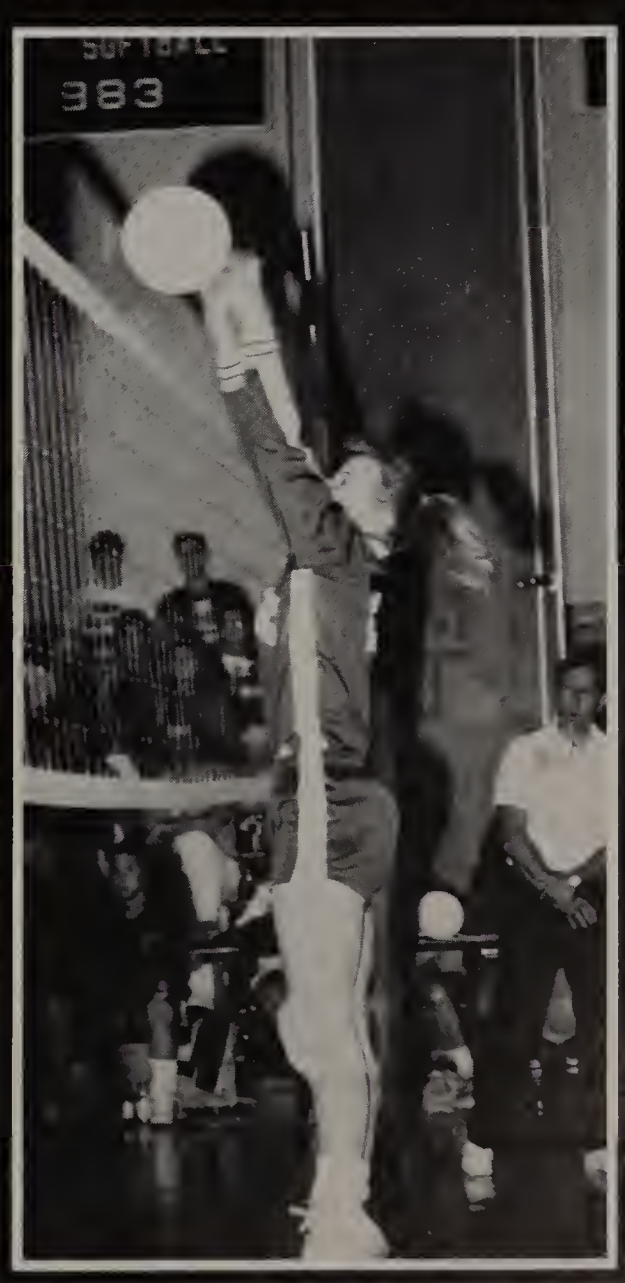

Sousa was back to make it 13-4 before Tobin closed out the contest. It was bedlam after the match as the girls were congratulating one another and were being honored by the well wishers. It was a great evening for an outstanding tradition.

Earlier in the week the Cardinals tuned up for the 100th win with a straight set 15-0, 15-0 win over Fairhaven.

Cadez paces Case to tourney win

THE SPECTATOR-MARCH 4, 1992

Petra Cadez had her highest scoring game as a member of the Case High Cardinals' varsity basketball team as she put in 30 points to lead her team to a 64-41 win over Boston Latin Academy last Thursday evening.

Cadez set the pace early by scoring 10 of her team's first 12 points as the Cardinals jumped to a 12-2 lead.

"I was pleased with the way all the starters played," said coach Rick Medeiros. "Our people off the bench played well. I'm happy that we had the chance to let everyone play."

The Cardinals started out fast, something the coach was looking for as he employed the press of the first quarter of the game. Cadez was able to score many of her points off the press as Boston Latin turned the ball over.

"Kerry (McMahon) and Pam (Kelly) were helping force turnovers and they were getting the ball in to Petra, and Petra had three or four steals herself," said coach Medeiros.

With Case up 12-4, Pam Kelly hit the first of her two, three point shots and McMahon and Kris Lawlor followed that up with baskets as the Cards ran wild 19-4.

Another Boston Latin basket was followed by a Kelly three pointer, McMahon free throw and a Cadez shot to make it 25-6.

A free throw by Latin was countered by another basket by Kelly off a rebound as Case took a 20 point lead, 27-7.

Cadez followed that up with a basket and free throw then two more free throws to make it 32-13. After another Boston basket, Cadez hit a free throw and basket to give her 20 points for the half and the Cards a 35-15 lead at intermission.

The blitz continued into the second half as coach Medeiros substituted freely, but every combination seemed to work against Latin.

Kelly, Cadez and McMahon started the half with baskets to make it 41-15, then after a Latin basket, Case scored seven more unanswered points to make it 48-17.

Latin kept the game from being a rout-remove by hitting five three point shots.

But Case was countering those with several hoops of their own as they maintained a lead in the 30 point vicinity.

Besides Cadez with 30 points Kelly added 12, McMahon, six, Danielle Chagnon, Lawlor and Jen Portado four each and Kelly McKenna and Theresa O'Brien two each.

PETRA CADEZ takes a shot inside for two of her season high 30 points as Case High won their tourney opener over Boston Latin 64-41 on Thursday night in Swansea. (Bill Hall photo)

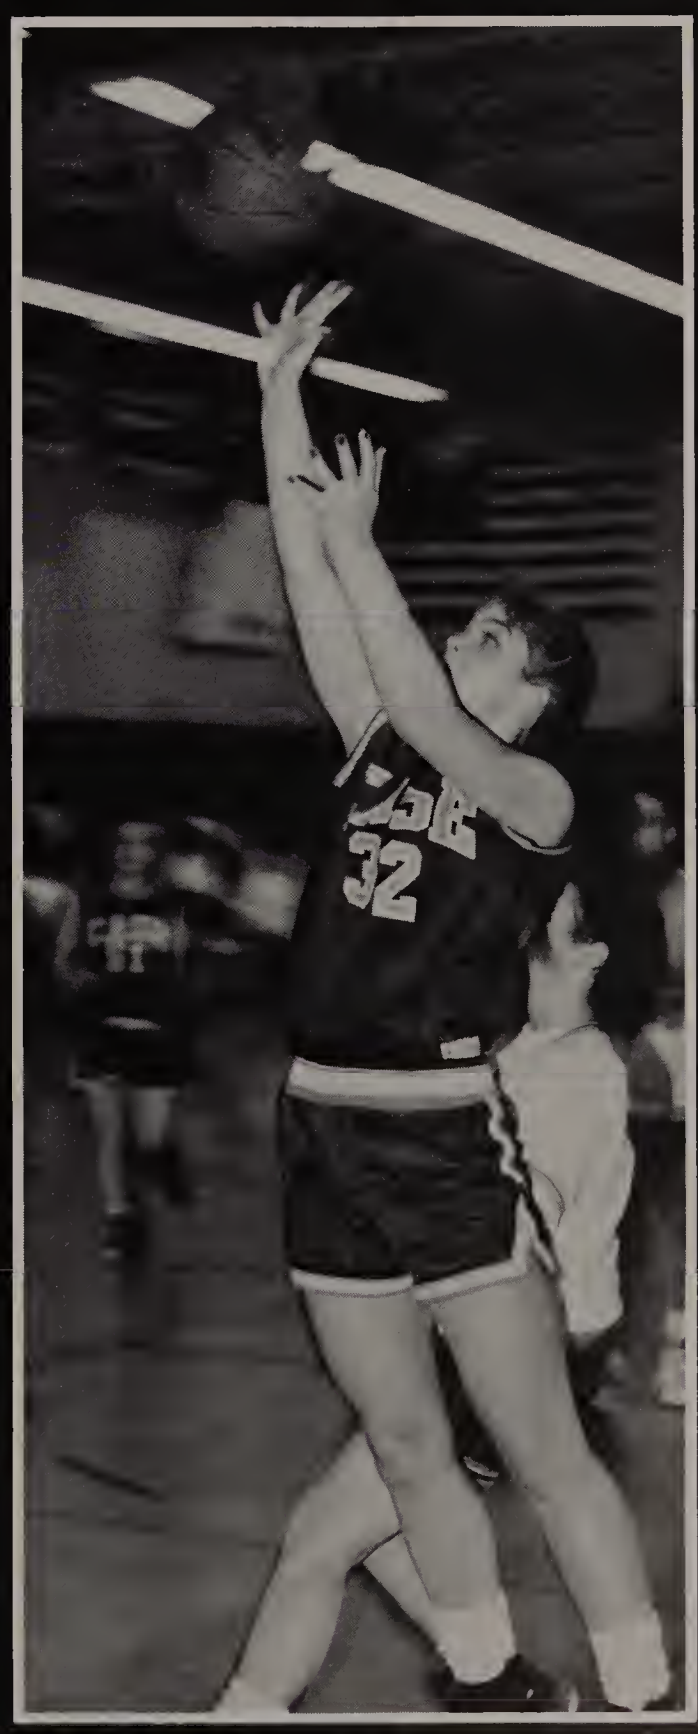

Case downs Walpole, advances in tourney

Case High Girls Basketball Cardinals defeated Walpole High school 58 to 51 in the Division 2 South Sectional girls basketball tournament.

Petra Cadez scored 26 points and sophomore Pam Kelly scored 13. Next it's Case against Seekonk for round three in the tournament.
